CHURCH ROOF MAINTENANCE 2026

For several years, the maintenance committee of the parish has been concerned with the condition of the church roof. A recent examination has determined that the sections of flat roofing needs to be replaced as water leakage has been observed in the building. Work on the roof has also been started and is expected to be completed by the end of the October. The costs associated with this project are substantial, however, through the generosity of the Basilian Order, **the Parish is asked to contribute $25,000** to help offset the costs. Please consider donating to this much needed project.
